## Vernissage - Gianluca Costantini: disegnare la realtà

- Una mostra organizzata da Festival Diritti Umani in collaborazione con lo Spazio 1929 -

Gianluca Costantini si definisce un artista/attivista o, per usare una definizione più estesa, un disegnatore della realtà e un attivista visivo. In un'epoca, come quella attuale, in cui la libertà di stampa e l'indipendenza dell'informazione sono in crisi, non è certo una definizione di comodo. In poco tempo la "vignetta", o il "fumetto", hanno conquistato uno spazio enorme, di grande successo ma anche ...
